

# International Conference on Cybersecurity

## Call for Paper

The International Conference on Cybersecurity provides a forum for exploring new cybersecurity techniques for different applications. The conference is a vehicle for data analysts, developers, researchers, and security professional and others to learn and present their recent findings in the field of cybersecurity. The conference accepts new research articles in the following tracks, but not limited to:

### Track 1: Cybersecurity

- Massive data technologies in cybersecurity
- Analysis of cybercrime

### Track 2: Secure Databases

- Analysis and delivering large data
- Data exchange and infrastructure
- Quality of service (QoS)

### Track 3: Secure Cloud Computing

- Cloud computing networks
- Cloud computing management

### Track 4: Secure Networks

- Digital signature technologies
- Network protocols
- Next generation telecommunications networks
- Data network management
- Network structure

### Track 5: Internet of Things Security

- Internet of things services and systems
- Analysis of Internet things security in real time
- Organizational privacy and security policies
- Internet of things management
- Social aspects of Internet of things
- Security threats and privacy for Internet of things
- Accountability and trust management

### Track 6: General Track

- Cloud Based Networks
- Big Data applications and issues
- New Technology Trends
- Data Communications
- Electronics
- ....

**Special Track:** Problems and Solutions to Cybersecurity in the Kingdom

كلية علوم وهندسة الحاسب الآلي  
College of Computer Science and Engineering

- Information networks
- Data analysis
- Government and private sectors management
- Mobile network security
- Social networks Security

جامعة حائل  
University of Ha'il

## Submission Guidelines

### Submission

The submitted paper must be formatted according to **IEEE format**. The submission processes will be managed by <https://easychair.org/conferences/?conf=cybersec2019> . If you have used this system before, you can use the same username and password. If this is your first time using [EasyChair](#), you will need to register for an account by clicking "I have no [EasyChair](#) account" button. Upon completion of registration, you will get a notification email from the system and you are ready for submitting your paper. You can upload and re-upload the paper to the system by the submission due date.

### IMPORTANT DATES

- Final Round Submission deadline: (March 1<sup>st</sup> , 2019 )
- Notification: **One week from the submission**
- Final date for camera-ready copy: **March 7<sup>th</sup> , 2019**
- Workshop: **March 17-18, 2019**
